

Welcome to the Willits, CA Lester Buckley Clinic August 18-20, 2017

The clinic will be held at The Berry Creek Ranch (3485 Canyon Road, Willits, CA), in the scenic Willits Valley. Ruth and Randy Weston are very generous with their facility, and do not require an arena fee or a trailer-in fee. If you need to put your horse up while attending the clinic, there are a variety of stalls, paddocks, and even a small turn out that a few friendly horses could share, available for reservation. Camping is an option, and there is a restroom with a shower for the more rustic campers. There is plenty of parking available.

We will ride in a covered arena, so we can all get out of the sun. But Willits can be hot during the summer months, so bring hot weather wear, with layering in case the mornings and evenings are cool. There are some chairs available, but I would suggest bringing your own along.

There will be doughnuts, pastries, and fruit available in the mornings, as well as coffee, tea, and hot chocolate. I will also have some bottled water and cold drinks available, [but encourage everyone to use refillable water bottles](#). Sandwiches can be ordered for lunches, and will be delivered at lunch time. Once you are registered I will email you a form for sandwich orders for lunch on Friday (or your first day with us).

Ride time requests will be honored for registered riders on a first come first served basis. If you are choosing a Semi Private Lesson and have a friend that you wish to ride with please let me know.

You are required to fill out and sign Liability Release Form for Lester, as well as one for Berry Creek Ranch. Forms will be emailed upon receipt of registration forms.

Please send all completed forms and your check made out to Lester Buckley to:
